

Introduction

Renmin University of China welcomes all international students to apply for our Master Programs in English.

Renmin University of China (RUC) is a key comprehensive and research-oriented university in China. It is one of the earliest universities in China that established Graduate Schools, and is the most prestigious university in the humanities and social sciences in China.

At present, with the idea of building a world class university, focusing on humanities and social sciences with elite natural sciences & engineering as supplement, RUC is devoted to making students "outstanding exemplars of the country, and the backbone of the society", cultivating talents well adapted to the 21st century.

According to the Ministry of Education's appraisal release of 2009, 7 disciplines of the university, namely Applied Economics, Theoretical Economics, Law, Political Science, Sociology, Journalism & Communication and Marxism Studies were ranked No.1 nationwide, Philosophy, Library Information & Archive Management No.2 and Business Administration No.3. These remarkable data has once again proved the leadership of Renmin in humanities and social sciences of Chinese higher education.

RUC sincerely welcomes excellent international students from all over the world to join us, building a better future for human race and the world together.
